## HVS Hosted Virtual Server

Qty	Art.-Nr.	Description	Price
	71204	HVS Server 2x 4TB HD, HW-RAID, 32 GB ECC RAM, Intel Xeon QuadCore CPU, monthly	210,-
	71302	HVS Server 2x 4TB HD + 2x 960 GB SSD, HW-RAID, 64 GB RAM, Intel Xeon QuadCore CPU, monthly	298,-
	71253	HVS Server 4x 4TB HD + 2x 960 GB SSD, HW-RAID, Hotplug, 128 GB ECC RAM, 2x Intel Xeon OctaCore CPU, redundant power supply, monthly	695,-

All servers are dedicated physical servers with hardware-RAID configuration on demand, server grade multicore CPUs, static IP addresses and a 1 Gbit/s network and internet connection. Servers are located in a large certified data center in Germany with air conditioning, uninterruptible power supply including emergency diesel aggregates, high security area and multi-redundant internet backbone connection.

One time installation fee is **490,-** per HVS server which also includes configuration of one IPsec PSK site-to-site VPN tunnel and up to three OpenVPN SSL tunnels, as well as complete first time configuration of the firewall according to your requirements (e.g. port forwarding, terminal server access). The monthly fee covers hardware support and platform maintenance support. You will get admin access to VMware, allowing you to upload installation DVDs and to install as many VMs as you like, limited only by HVS disk space and server memory. You do not need any Linux knowledge for operating and administrating a HVS environment. The rental fee is payable monthly in advance. If internet traffic exceeds 30 TB per month, bandwidth will be reduced to 10 Mbit/s. Upon request we will also install, migrate and manage your virtual servers (Windows, Linux, Novell), Please inquire for maintenance agreements and prices.

Contract duration: **12 months**, The contract will automatically prolongate for another 12 month period unless canceled in writing at least **3 months** before expiration. All services are subject to the general terms and conditions of GEOTEK Datentechnik GmbH as published at [www.geotek.de/agb](http://www.geotek.de/agb). All prices are in Euro, German residents are subject to sales tax. Online Backup is available via separate order form.
